

Safety Assessment Program Evaluator Training

MARCH 10, 2010

9:00am to 4:00pm

Registration 8:30am

88 Rowland Way, Novato, CA

COST: FREE

The County of Marin, in partnership with the City of Sebastopol and Cal EMA, presents the SAP Evaluator Training. The training presents an overview of recognized post-disaster safety assessment procedures based on ATC-20 and ATC-45. Licensed architects, civil engineers, and certified building inspectors are encouraged to attend, and non-credentialed individuals interested in the subject are also welcome.

To register, please contact Jim C. Barnes, P.E., Associate Civil Engineer, at (916) 845-8273, or by email at Jim.Barnes@calema.ca.gov. Information on the Safety Assessment Program can be found at www.calema.ca.gov. (Select the "Recovery" heading, then the "Safety Assessment Program" link.) The site contains upcoming classes, a list of trainers, downloadable manuals, and other information.

Instructors:

Glenn Schainblatt, Building Official, City of Sebastopol

Jim C. Barnes, P.E., California Emergency Management Agency
